Faithful Navigator's Comments—Richard Dunbar

Worthy Sir Knights,

The work of the Assembly is team work. Without the assistance of many Sir Knights, we could not accomplish all that we have done so far this year. It is quite gratifying to me to work with so many enthusiastic Sir Knights from the different councils who come together on a regular basis to make our events successful. It is brotherhood in action.

Being part of the Assembly has broadened my perspective on the Knights of Columbus at the grass roots level. That is where the best work of our Order is done. I have had several occasions to visit the councils and to work with their Brothers. I am extremely grateful for individual and collective efforts to support our events. No one can do it alone, but as a team of dedicated Sir Knights, we accomplish a lot. I don't need to review all that we have done so far in the last 10 months. You can go to our website (assembly2204.org) and see for yourself.

While our Color Corps is the visible arm of the Order, many Sir Knights work behind the scenes to accomplish many things. There are many Brothers to thank and I would probably forget one or two of them in trying to identify who you are, but you know what you do. We work in all humility for the good of the Assembly.

Speaking of Color Corps, I am really happy to learn that several Sir Knights are in the process of purchasing the Official Regalia Dress uniform. The \$200 subsidy still applies until the end of June, so if you have been on the fence about getting the new regalia, this should be a good incentive. In return, you will need to attend training and serve in one Color Corps event to qualify for the subsidy.

We had at least 7 candidates for the Fourth Degree exemplification on May 21st. The Color Corps supported the confirmation mass at Ft. Belvoir on May 26th. On Memorial Day, May 30th, we laid a wreath at the Tomb of the Unknown Soldier of the Revolutionary War in Alexandria.

Pray for all the mothers in your life.

Rich
