The bell and striker will be placed on a table in front of the Abbo prior to the mass.

Following the Homily, the Grand Knight will come to the Abbo and read the names of the Knights that have passed away during the years 2021 through 2024.

As the Grand Knight moves forward to the Abbo, so will two Knights who will approach the Altar and stand on either side of the bell.

The Grand Knight will make remarks regarding the ceremony then ask all to stand.

He will read the first name, pause, and the two Knights by the bell will each repeat the name and another Knight in the pews will say "Absent." Then the bell will be struck once, and the process will repeat until all names are read.

Following the striking of the bell for the last name, the Grand Knight will announce the end of the program.

The **bell and table** will be **removed** and taken **down the side aisle** to the back of the church and the mass will continue.
